**Sandoon Dividend**

Bred in the Sandoon herd of A. C. McDermott, Goodwood, Ontario. Sire, Cruggleton Permit. Dam, Orange Fluff by Cruggleton Prefect. Sold in the 1950 International sale for \$2750 to Lloyd Davis & Son, Oakland, Iowa.

There is no greater concentration of superior Shorthorn herds and outstanding stock bulls than in the area around Toronto. For years the greatest herds of the breed have drawn upon this as a source of herd improving stock.

If you have been to the Toronto-area before, it should not be difficult to convince you to come back at this beautiful season of the year. If you have never seen these great herds, then you have missed one of the real thrills in the Shorthorn business.

Plan to arrive on Friday so that you will be able to visit these great herds. We will be happy to arrange transportation.

It is a beautiful time of the year to drive. If you are more rushed, please remember that you are only hours away by train or plane.

This will be one of the finest offerings ever brought out on this continent.

**. . . . 13 Bulls and 39 Females Will Be Sold In This Sale . . . .**

# General Sale Information

**TIME AND PLACE — Saturday, May 26.** The sale will start at 12:30 p.m. It will be held at Campbell Farms, near Moffat. This is approximately 13 miles from Guelph. From Guelph take route 6 south to Aberfoyle, turn east and follow the signs. The main Toronto airport (Malton) is about 35 miles.

**SALE HEADQUARTERS —** Royal Hotel, Guelph. Make your reservations directly with them, or advise us and we will make them for you.

**TRANSPORTATION —** There is overnight train service both ways to Toronto from Chicago and other eastern cities. Those coming by train from Chicago should take the Canadian Pacific (New York Central) and get off at Guelph Junction. We will meet the train here on Saturday morning. Should you wish to be met at any other time or place, please advise the sale manager or Grant Campbell. We will be glad to arrange transportation to visit any of the Toronto area farms you wish. Briardale and Scotsdale are each about a half hours drive from Guelph.

**HEALTH —** All of the sale cattle will be tested for T. B. and Bangs within 30 days of the sale, except officially vaccinated heifers in which case the vaccination certificates will be attached to their health papers. All health papers necessary for export will be furnished.

**SHIPPING CATTLE —** We will be glad to assist in the shipment of cattle at buyer's instructions. As a convenience to buyers, cattle may be left for a reasonable period of time.

**FARM PHONE —** Toronto, Triangle 89647.

**GUARANTEE —** All cattle will be sold under the standard guarantee. A certificate of registry and transfer in the Canadian Herd Book will be furnished for each lot sold. All are eligible for registry in the American Herd Book. An application for registry will be furnished for each calf at foot under six months of age and for each unborn calf.

Where footnotes appear in this catalog, they were furnished by the owner or written from information supplied by the consignors.

Neither the owners nor Campbell Farms shall be responsible or liable for any accidents that may occur but will make every effort to provide for the safety and comfort of their guests. The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. The sale manager was retained for the specific tasks of handling the publicity and preparing the catalog, and has nothing to do with the handling of the cattle or condition of the premises. The sale manager, the clerk, or auctioneer assumes no liability.

**AUCTIONEER —** C. D. Swaffar, Tulsa, Oklahoma.

**SALE MANAGER —** Don Longley, The Shorthorn World, 16 So. Locust Street, Aurora, Illinois.

**MAIL BIDS —** Those wishing to buy who cannot be present at this sale may send their bids to any of the following: Harold White, Managing-Director, Canadian Shorthorn Association, Gummer Bldg., Guelph, Ont.; E. H. Stoltz, Eastern Fieldman, Canadian Association, Aurora, Ontario; Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois; or to the auctioneer.

**BULL PREMIUM —** The Ontario Government bull subsidy to Ontario cattlemen will apply in this sale.

## *How this Sale Came About - -*

Pete Swaffar and I have talked often about what a great thing it would be to have a Scotsdale sale. We have teased Stewart Bennett and Maurice Baker about this many times. Yet, we knew this was not possible, even with the present size of the Scotsdale herd. However, early last fall, we approached them with the thought of a sale where a third of the cattle would come from Scotsdale, and over half of the entire offering from Scotsdale and Briardale.

Furthermore, these two herds permitted Grant Campbell and myself to walk in and select for this offering, exactly the cattle we wanted. We took bulls and females slated for the herd and the fall show circuit. Probably the only other place that you will be able to buy from these herds at auction for the next year, will be in modest sized consignments in the Sale of Stars.

Cows with Calrossie Prefect calves at Scotsdale. There are 55 imported and imported-in-dam cows in the Scotsdale herd, and forty females out of these cows and bred at Scotsdale.

It is not necessary to elaborate here upon the record of these cattle. These herds are joined by eight other outstanding Toronto-area breeders — herds respected wherever Shorthorns are known. Each one joined in the spirit of this sale by offering the very best they have.

It is the kind of offering you hope for, but rarely see. It will refresh you, no matter how long your journey.

## SCOTSDALE

Few herds — in the entire history of the breed — can match the impressive lists of show and sale tops acquired by Scotsdale in the past ten years. It is a year in, year out, consistent record, with each year more great cattle than the last.

Left: **Scotsdale Jupiter** and **Scotsdale Javelin**, best pair of bulls, 1955 Royal Winter Fair. Both are by Calrossie Prefect. Scotsdale Javelin is a full brother to Scotsdale Kirkness, selling in this sale.

Scotsdale Scottish Buttercup 3d by Calrossie Prefect. Top selling female, 1955 International Sale, selling at \$4,050 to Anthony Petkus, Capron, Illinois.

Scotsdale Juggernaut by Calrossie Prefect. Top selling bull, 1955 International Sale. Purchased for \$3150 by K. S. Adams, Farnsworth, Oklahoma.

Scotsdale Golden Highlight by Calrossie Golden Road. As a senior calf, he was the junior and reserve grand champion of the 1953 Royal Winter Fair. Sold to Canard Farms, Port William, Nova Scotia.

## **ROYAL WINTER FAIR**

Since 1947 Scotsdale has had four grand champion bulls; one reserve grand champion bull; two junior champion bulls; five first prize gets; and in the last four years two grand champion females and two reserve champion females. In 1955 they had the grand champion bull, reserve grand champion female, first prize get-of-sire; first Breeder's herd; and supreme champion on the get of Calrossie Prefect.

## **SALE OF STARS**

Originated in 1950. Since that time Scotsdale has had either the top selling or second top selling bull or heifer each year, and in 1955 had the two top selling females.

## **INTERNATIONAL SALE**

Scotsdale has made four consignments. On each occasion they have had either the top selling bull or second top, and the top selling female or second top. In 1955, with only two head consigned, Scotsdale had both the top selling bull and top selling female.

## **ONTARIO GOVERNMENT BULL SALE**

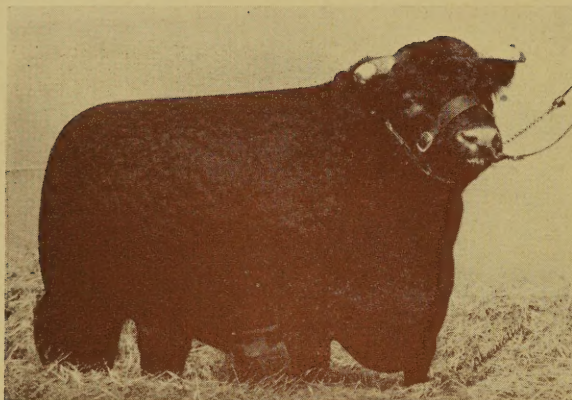

Originated in 1951. Since then, Scotsdale has had the top selling bull at every sale, and the top average of every sale.

## **TORONTO SALE**

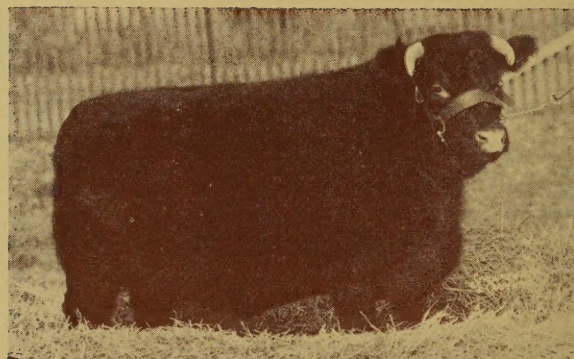

In the last eleven years at the Toronto sales, Scotsdale has had the top bull seven times, the second top bull four times, the top female six times, and the second top female three times. A total of 64 Scotsdale entries sold through this sale have averaged \$1105.

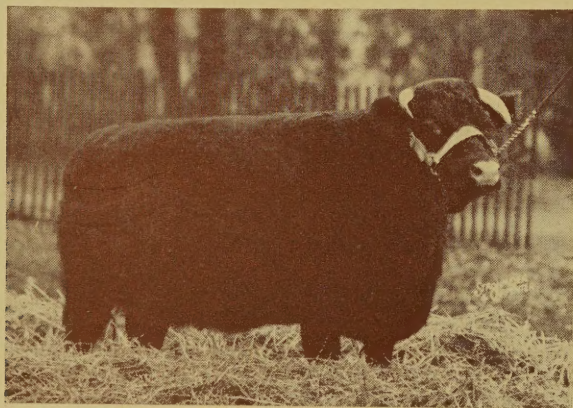

The head of Calrossie Prefect, 1952 Perth Supreme Champion. Herd sire at Scotsdale. His sons are stamping their calves with the same greatness as the get of Calrossie Prefect. There will be calves in the sale, by sons of Prefect, carrying that Calrossie Prefect uniformity, character, and quality.

**Scotsdale Aspiration.** Supreme Champion, Toronto Royal Winter Fair, 1947.

**Scotsdale Flower Victoria.** Grand champion female, 1952 Royal Winter Fair. Sire, O A C Mayflower's Ransom.

**Scotsdale Emma Rosebud.** Grand Champion female, 1953 Royal Winter Fair. Sire, Scotsdale Aspiration.

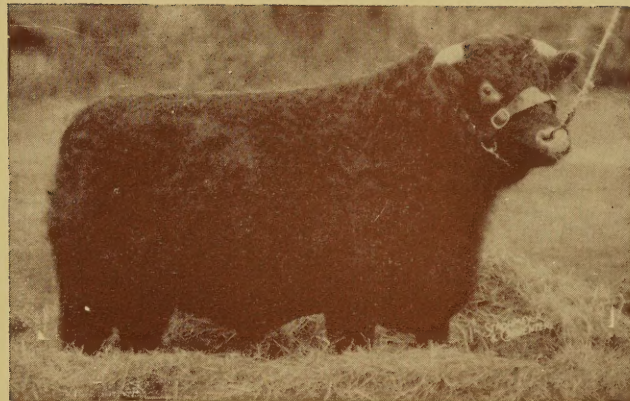

**Scotsdale Dragoon.** Grand champion bull, 1951 Royal Winter Fair. Second top selling bull at \$5700, 1951 International sale, going to Archwood Farms, The Plains, Virginia. Sire, Scotsdale Aspiration.

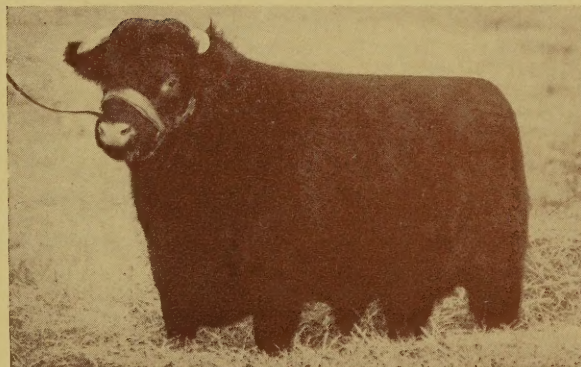

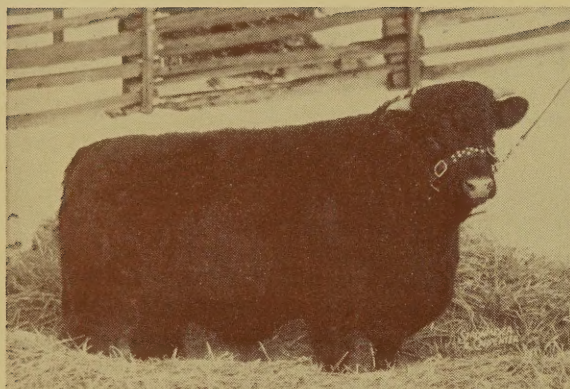

**Scotsdale Secret Flora.** Top selling female at \$3100, 1952 Sale of Stars. Sire, O A C Mayflower's Ransom.

**Scotsdale Bombardier.** The 1948 International Grand Champion Bull. Sire, O A C Mayflower's Ransom. Out of the same dam as Scotsdale Aspiration.

**O. A. C. Mayflower's Ransom.** His list of championship sons and daughters is too numerous to recount here. Still active at 13 years. His blood is perpetuated in the Scotsdale herd through daughters and the use of bulls out of daughters.

**Scotsdale Kinross**

**Scotsdale Kinross** — By Calrossie Prefect, Supreme Champion Perth 1952 and sire of Supreme Champion as well as first prize Get of Sire, Breeder's Herd, Pair of Bulls and Reserve Grand Champion Female, Royal Winter Fair 1955. Calrossie Flossy Thora is a full sister to Calrossie Wildfire, Reserve Champion 1955 English Royal, also to Calrossie Tornado, stock bull for James Biggar of Chapelton. This bull is bred the same as Scotsdale Homeric, and has makings of a top breeder's bull.

**Scotsdale Kilty** — Scotsdale Homeric is one of Calrossie Prefect's best sons and now is at service at Archwood Farms. He was used extensively at Scotsdale where he has left 20 of the best and the most uniform calves. Glastullich Princess Ann is the dam of the Junior and Reserve Grand Champion bull, C.N.E. 1951, also dam of the first prize heifer calf, C.N.E. 1952. A very masculine, good-headed, heavy-boned, rugged bull with plenty of scale and a real herd sire prospect.

A few typical brood cows at Scotsdale

**Scotsdale Kirkness** — This calf is out of one of the good females personally purchased at the Kirkton Dispersal Sale. His maternal brother by Calrossie Prefect was first prize summer yearling bull in a strong class, and also one of the first prize Pair of Bulls at the Royal Winter Fair 1955. This is a rugged, heavy-boned, good-headed calf. No picture was made because we did not intend selling him until requested by Don Longley. He is selling on condition that he can be retained at Scotsdale for the 1956 show circuit.

The head of Beaufort Benbow, herd sire in the Briardale herd. His first sons and daughters calved at Briardale are now reaching salable age. He established a fine breeding record at Uppermill in Scotland. Sons and daughters in Scotland and America have totaled \$40,700 for an average of \$2544.

# BRIARDALE

The Briardale herd was founded by Colonel Torrance Beardmore in 1941. It was never his intention to build a large herd, but to have one of the best quality, most royally bred herds on the continent. Although the owners are not the kind that are satisfied, and always strive for improvement, anyone who visits Yellow Briar will agree they are achieving their goal.

There are 34 mature cows. Nineteen of these are imported — and they were imported only because they were the top kind. Seven are daughters of the great old O A C Ransom 023rd.

**Briardale Clipper Mona 3rd.** Sire, O A C Ransom 023rd. Sold in the 1954 Toronto sale of \$1150 to Rowe & Co., Ft. Lauderdale, Florida. Briardale Kinross, selling, is out of the same dam.

**Princess Delicia 3d.** Sire, Cluny Romeo. She topped the 1954 International sale at \$2700 going to Ashbourne Farms, Le Grange, Kentucky.

The present stock bulls are Beaufort Benbow, purchased after highly successful use in the Uppermill herd in Scotland, and Cluny Romeo, reserve champion, 1951 Canadian National Exhibition.

In the last five years, Briardale has been represented with consistently good exhibits at the C. N. E.; the Western Fair; the Erin Regional; the Rayol Winter Fair and the International. In each of these shows there is rugged competition, with the Shorthorn entries generally running well over 100, and, in the last few seasons alone, they have accumulated 28 championships.

**Calrossie Rocath Rosewood.** The kind of brood cow on which Briardale bases its production.

**Archwood Romeo.** Grand Champion Maryland and North Carolina State Fairs. This son of Cluny Romeo was purchased in dam from Briardale by Archwood Farms, The Plains, Virginia, in the 1953 Toronto sale.

In the Toronto sale for the past five years, they have always achieved a top of over \$1000. Wherever their cattle are shown or sold they command respect and attention, though not always the highest price. The record of Briardale cattle in the hands of their new owners is a matter of great pride to the Beardmores, and justly so. For example the reserve champion summer yearling steer over all breeds at the 1955 International was sired by Ransom Special by Briardale Corporal, and out of Briardale Rosamond, and Westmere Clipper Clove, one of the top heifers of the 1955 International sale was out of Briardale Clipper Clove, purchased in the Toronto sale.

**Philorth Ben More.** Purchased by Sandoon in the 1954 Perth Sale for \$9000. Reserve champion 1955 Canadian National Exhibition. Sire, Duncrahill Achievement.

## SANDOON

The Sandoon herd was founded approximately twelve years ago. Everyone who saw that excellent foundation of approximately 15 imported cows, agreed that here was a herd that would become one of the major competitors in North America.

Art McDermott, the owner, has followed one great bull after another, retaining the right daughters out of the right

cows, until today he has a herd of producers that assure breeding prepotence.

Because of the size of the herd, his consignments to sales and exhibits at fairs have been small, but they have always been among the best wherever shown or sold. Those who have attended International sales will remember such bulls as the \$3750 Sandoon Captivator, the \$1850 Sandoon Don Juan; and the \$2750 Sandoon Dividend.

From this select herd outstanding breeding stock has spread from one end of North America to the other. Everywhere these cattle are breeding well.

**Sandoon Captivator.** Grand Champion 1948 Canadian National Exhibition. Sire, Calrossie Harmony. Dam, Orange Fluff by Cruggleton Prefect. Sold for \$3750 in the 1948 International to Swanson Bros. and Howard Hildreth of Iowa. Sold again at six years of age for \$2800 in the Swanson Dispersal. Sandoon Keepsake, selling, is out of a daughter of Orange Fluff.

## LASLYNNTURN

In a very quiet way, George Lasby has been producing some of Canada's best Shorthorns. It has always been an exhibit the other showmen "scout" first, because they know that in it are often the animals that can walk off with the purple ribbons. This herd continues to improve with each due to a succession of good breeding bulls and to a willingness to invest in the finest replacement females.

The Laslynnturn herd is rich in Ransom blood, going back to such bulls as their champion, Ransom Junior, and rich also, in imported bloodlines. At present, a son of Calrossie Welcome, Cruggleton Bayard, and a grandson of Calrossie Welcome, Louada Gold Standard, are in service.

**Laslynnturn Showman.** Grand champion bull, 1955 Canadian National Exhibition. Sire, Laslynnturn Baronet. Sold in the 1954 International sale for \$1050 to Wilson Bros., Lewisburg, West Virginia.
